

WHO WE ARE AND WHO WE SERVE

Chauffeur Driven is the authoritative voice for luxury ground transportation globally, reaching the decision-makers and influencers within the limousine, black car, and bus and motorcoach community. Our loyal readers—sent to 22,000 emails weekly for our e-news and monthly for the publication while our print edition (back by popular demand!) is circulated to thousands of operators every month—look to CD for the latest in OEM equipment and parts, technology, insurance, marketing services, training programs, financing, consulting, and much more. Advertising is incorporated within our exclusive editorial, created to motivate, guide, and empower readers to carve new paths to success, which means better brand recognition for you. We champion the good works of our industry, especially state and local associations, but also strive to help our readers to be innovative and try new ideas and products. In short, if it's happening in transportation, Chauffeur Driven is covering it.

Our Readers Are Buying

Luxury ground transportation has continued to adapt and evolve, embracing metal that now encompasses sedans, SUVs, vans, larger people-movers like buses and motorcoaches, and even electric and hybrid vehicles. Things move quicker than ever in today's fast-paced society, and our operators are always looking to improve their customer's experience while providing safe, comfortable, and reliable transportation using YOUR products and services—and they deeply value and place a lot of trust in the partnerships they build with industry vendors. Our readers run the gamut within their organizations, from the owner and senior management staff to affiliate managers, maintenance teams, and even chauffeurs.

Not Just Transportation

But Chauffeur Driven isn't just transportation. We also explore how our industry fits into the larger ecosphere of hospitality and corporate travel by collaborating with and reporting on associations such as the Global Business Travel Association and US Travel Association. It's why our 22,000-strong distribution list includes travel professionals, corporate travel managers, meetings and events planners, destination management companies, and suppliers.

Full Media Reach

Media today isn't limited to just one print or online resource, so we offer a variety of ways for our audience to connect with us. Our print edition is regularly and consistently referenced by busy professionals long after publication—and they share it with their team members and colleagues for added reach and an extended shelf life. Our digital and online advertising opportunities add value to your investment to help you reach your target audience in a variety of ways. For example, our e-blasts are customized to each advertiser's specifications and will land directly in operators' inboxes right when you want.

In addition to our monthly digital publication, weekly e-news, and daily social media and website updates for the latest breaking news, Chauffeur Driven also produces events for industry professionals. We host three annual events that are held with our partners, the National Limousine Association, which is the largest organization dedicated to advocacy for luxury ground transportation providers. Our fall show, generally held in the east, and our larger spring event in Las Vegas, is where the biggest industry suppliers showcase their products, services, and offerings and forge lifelong bonds with an international attendance from six continents. We also host an annual Executive Retreat, a smaller and more intimate education and networking event that rotates throughout the country.

MAGAZINE ADVERTISING *(22,000 DIGITAL DISTRIBUTION)*

Your ads are incorporated within well-read, advice-driven editorial for maximum exposure and repeated opportunities for brand recognition—and our loyal readers are buying.
